

How We Restore Power

STEP 1

Awareness

If you're without power, try resetting your main breaker. If that doesn't work, report an outage through our Outage Map, mobile app or by calling **310-WIRE (9473)**

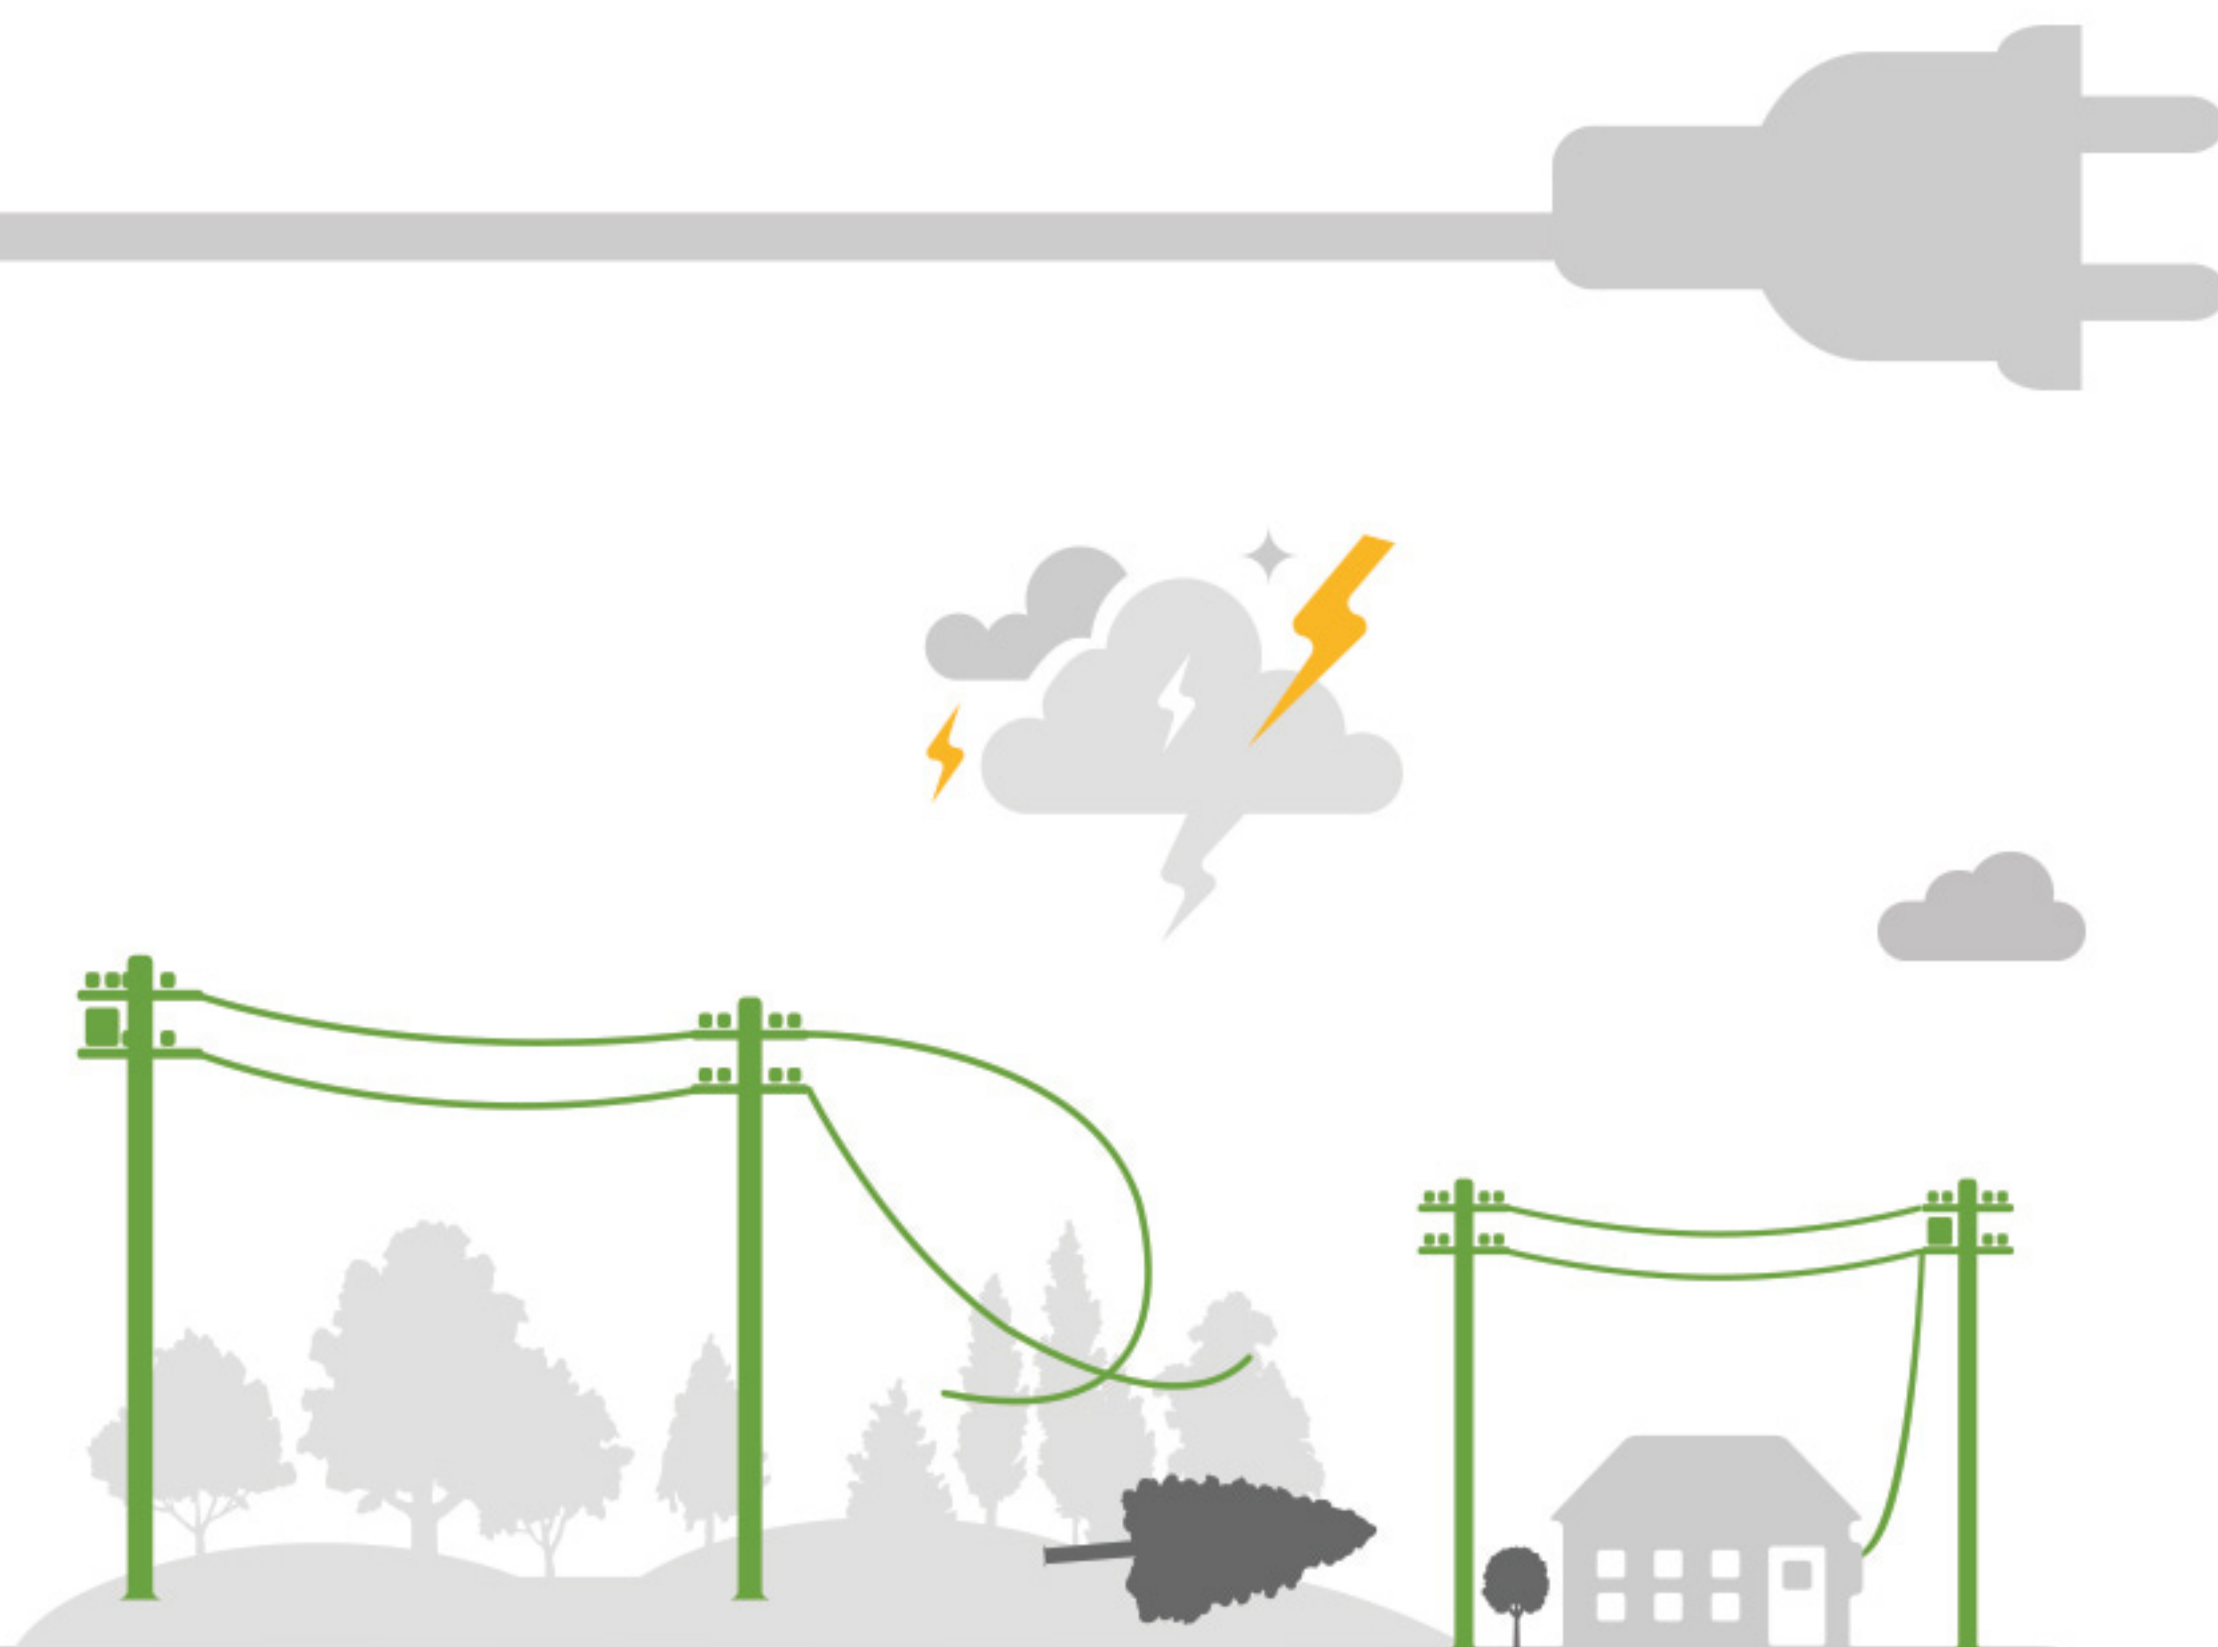

75,000 OUTAGE CALLS PER YEAR

STEP 2

Plan of action

Control Centre identifies trouble locations and prioritizes repairs

210,000 LIGHTNING STRIKES PER YEAR

STEP 3

Dispatch trucks

Priority given to dangerous situations and essential services, followed by main lines

51 SERVICE POINTS

STEP 4

Restore power

Safely diligently repairing equipment

400 POWER LINE TECHNICIANS

Keep enough food and water for

72 hours without power

Report an outage:

310-WIRE (9473)
