

Farm Safety

Most electrical safety incidents occur on farms and ranches.

Follow these tips to stay safe:

Know the height of your equipment

Lower grain augers

Click before you dig

Watch for wires when pruning trees

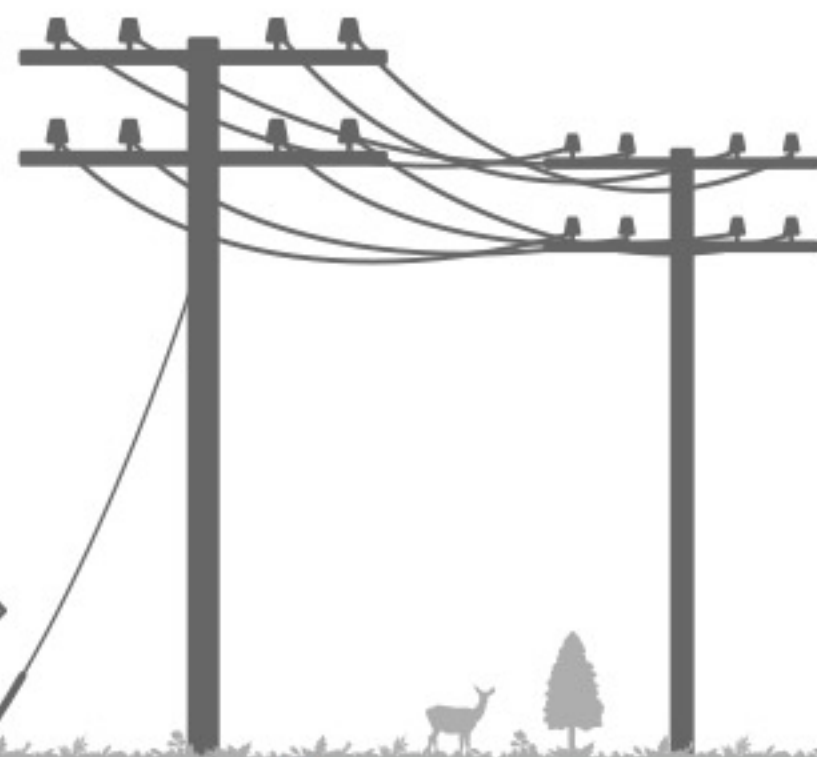

Pile haystacks, graineries and fuel tanks away from power lines

Call us before moving over-height loads like bins

Unsure?
Stay seven metres away

Unsure? Stay

7

metres away

Always ask yourself: Where's the line?
