

As part of FortisAlberta's Save Energy program, we have teamed up with Home Hardware to provide customers with a **free Woods Outdoor Timer** to help reduce electricity consumption. Each timer is valued at \$21.99!

Join us on **Saturday, Oct. 21, 2017** when stores open for your free gift. Please check participating Home Hardware locations for store hours. This promotion is offered through all Home Hardware locations in FortisAlberta's service territory that have chosen to participate in the program.

A limited quantity of outdoor timers are available on a first-come, first-served basis. **Limit one per household, while quantities last.**
