

DER Bulletin 2024-002: Updated AESO Cluster 2 Dates

The Alberta Electric System Operator extended the Cluster 2 intake window to October 18, 2024. While this provides a 12-week extension for System Access Service Request submission, please be advised of FortisAlberta’s current processing timelines below:

High Level Study

Detailed Level Study

Note: In timelines above, FortisAlberta assumes payment received at due date, which is 30 days (4 weeks) from invoice date. Timelines can be reduced if payment is received before due date.
