

FORTISALBERTA DONATES MORE THAN \$100,000 FOR ENVIRONMENTAL INITIATIVES IN ALBERTA

May 19, 2021 (FOR IMMEDIATE RELEASE) – At FortisAlberta, we believe in contributing to the well-being of the communities where our customers and employees live and work. Through our Community Investment program, we work to empower communities by supporting organizations that offer programs and services that align with four focus areas: safety, education, the environment and wellness.

FortisAlberta recognizes the hardships our communities are facing. Our communities rely on us to provide them with the electricity to power their homes, but also to support them through the programs we offer. This year, we will donate more than \$100,000 to communities in our service area through our Community Naturalization and Tree Planting grant programs. Through these grants, we can support our municipal customers with developing and improving environmentally friendly programs and facilities.

In previous years we have supported 14 communities that applied for our environment grants. This year we have awarded 20 \$2,500 grants listed below and an additional 50 \$1200 grants. This means, we are able to provide all applicants with funding, totaling 70 communities within our service area.

This year's recipients of a \$2,500 grant are:

| | | |
|---------------------|---------------------|-------------------------------|
| Village of Acme | Devon Lions Club | Town of Provost |
| Town of Barrhead | Town of Eckville | Town of Raymond |
| Town of Bassano | Village of Edberg | Town of Stavely |
| Town of Bon Accord | Village of Foremost | Sturgeon County |
